INDUSTRY STRUCTURE AND DEVELOPEMNT

India is the third largest spirits market by volume in the world, just behind China and Russia. The Indian alcobev industry can broadly be classified into five categories, namely Indian Made Foreign Liquor (IMFL), India Made Indian Liquor (IMIL), foreign liquor Bottled in Origin (BIO), Beer and Wine. IMFL primarily comprises of brown spirits such as whisky, rum, and brandy whereas white spirits comprises of gin, vodka and white rum. The alcoholic strength of IMFL generally does not exceeds 42.8%. IMIL is also referred as country liquor. It is produced in licensed distilleries and made of cheaper raw material, primarily rectified spirits of grains or molasses. IMIL generally has an alcohol content of around 30%. BIO forms a very small part of alcohol consumption in India. It is usually consumed by the rich and the upper middle class in metropolitan cities. It is also subject to customs duty which makes it much more expensive. Beer can broadly be classified into two subcategories, strong beer with an alcohol content of around 6-8% and mild or lager beer which has an alcohol content of 4-6%. Wine is an alcoholic drink made from fermented grapes. The major variants of wine are red, white and sparkling. The recent trends in the alcoholic beverages segments includes launch of flavoured alcoholic drinks and ready to drink (RTD).

The alcobev sector was among the most impacted industry due to the pandemic. The impact was due to combination of factors such as production and sales restrictions, higher taxations / cess, limiting capacity and restaurants / pubs. The beer industry was further impacted as consumers preferred avoiding cold beverages. However, the pandemic also led to some structural changes in the industry such as home delivery. Many states have not allowed home delivery of liquor which is anticipated to be a big boost to the industry in the medium to long term. It is expected that the other states will also follow the trend and overall, the sector will benefit from increased number of point of sales. The demand for alcoholic beverages has been steadily increasing driven by rapid urbanization, changing consumer preferences and a sizeable and growing middle-class population with increased purchasing power. In addition, the alcohol consumption share by middle income group is steadily increasing and is currently around 21%, which is anticipated to reach over 40% by 2030. [Source: Indian Council for Research on International Economic Relations (ICRIER)].

OPPORTUNITIES AND THREATS

The alcobev industry in India is highly regulated. The industry also falls under the purview of national laws and regulatory bodies, such as the Food Safety and Standards Authority of India (FSSAI). Compliance with relevant regulations results in higher operating costs and also limits the Company's ability to quickly capitalise on the opportunities that Indian market offers.

- **Economic Activity:** The economic activity in India has recovered sharply post Pandemic. However, threat of new variants is impacting many countries globally. In addition, the ongoing geopolitical instability due to ongoing tension between Russia and Ukraine is adding concerns about the economic recovery globally. Any further extension of such events or any new such events can have adverse effect on the economic recovery and performance of the Company as well.
- **Additional Tax:** Under the current tax regime, state governments have only liquor and fuel under their control. Any additional taxation on liquor to meet target state revenue objectives can be detrimental for the industry as it will have severe impact on the demand.
- **Promotional Restrictions:** The alcobev industry cannot do direct promotion of its product as it is banned in India. Typically, the companies use surrogate advertisement to inform consumers about the product. Therefore, it becomes challenging to promote new brands which has limited brand recall.
- **Minimum Legal Age:** All the states in India have legal ages varying between 18-25 years. If these states increase the drinking age or states with lower age bracket decides to increase the age, it could impact sales of alcohol.
- **Limited Pricing Power:** In many states, where the government is also the biggest distributor, it fixes the prices at which it buys products from the alcoholic beverage companies and the prices at which they will sell to the end consumers. The state governments decide the end consumer price, leaving manufactures with no say in determining their selling price.
- **Complex Taxation Structure:** The alcohol industry has been kept outside the purview of GST. However, the industry would be liable to pay GST on the input raw materials, which may impact the gross margins. Taxation by volume continues to adversely impact the beer segment. The tax structure for alcoholic drinks does not adjust for the level of alcohol in a particular drink. Considering the ratio of excise duty adjusted to alcohol content, IMFL appears to be more affordable than beer because it has a higher alcohol/price ratio. This makes beer an expensive drink compared with other spirits in terms of price per unit of alcohol. The excise and other taxes put together comprise over 50% of the final retail price.
- **Affordability:** The high taxation on alcobev products results in higher MRPs for the end customer. So even a small change in price or taxes has severe impact on the purchasing power of the customer and can impact affordability of the product.
- **Barriers to Scale:** Every state government has its own rules and regulations in addition to the regulations set up by the central government. As a result, tax and duties are imposed on inter-state movement of alcohol which restricts consolidated of operations and synergy benefits are not fully realized.
- **Volatility in Raw Material:** The beer and IMFL industry can be adversely impacted due to the volatility in key input raw material prices such as barley, ENA and glass bottles. Since the pricing power is limited, companies cannot fully pass on the higher costs to consumers thereby margins gets impacted.
- **Competition:** Over last few years, many international companies have entered the Indian market due to the immense potential prevailing in the country. These players could impact volumes primarily in the metros as their products are well known among affluent or lifestyle seeking consumers. Furthermore, increasing trend of the craft beer among urban population also increases the competition as beers can be manufactured with very limited investment in a smaller size brewery as compared to significant investment required in traditional breweries.

OUTLOOK

The Company had suspended its manufacturing activities w.e.f 14.06.2009. The Company had brought in an investor who had subscribed preference capital and net worth of the Company turned positive and the Company had come out from the purview

Independent Auditor's Report on the Financial Results of Tahmar Enterprises Limited (Formerly Known as Sarda Papers Limited for the quarter and year ended March 31, 2023 pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To,

The Board of Directors

Tahmar Enterprises Limited
(Formerly known as Sarda Papers Limited)

Opinion

We have audited the accompanying standalone Ind AS financial statements of **Tahmar Enterprises Limited (Formerly known as Sarda Papers Limited)** ('the Company'), which comprise the balance sheet as at 31 March 2023, the statement of profit and loss, including statement of other comprehensive income, cash flow statement and statement of changes in equity for the year ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2023. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the Standalone Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Standalone Financial Statements. The results of our audit procedures, including the procedures performed to address the matters provide the basis for our audit opinion on the accompanying Standalone Financial Statements.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The board of directors are responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the audit of Standalone Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are

inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the director's on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transfer ring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Tahmar Enterprises Limited Formerly known as Sarda Papers Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Tahmar Enterprises Limited (Formerly known as Sarda Papers Limited)** (the "Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the account in records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial control over financial reporting included obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS:**Statement of compliance:**

The financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and other relevant provisions of the Act.

For the year ended 31st March, 2023, the financial statements of the Company have been prepared in compliance with the Indian Accounting Standards (Ind AS) noticed under Section 133 of Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Accounting Standards) Amendment Rules, 2016.

Basis of preparation of financial statements

The Company has prepared the Financial Statements which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended 31st March, 2023, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements).

These financial statements have been prepared and presented under the historical cost convention, on accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements

The financial statements are presented in Indian Rupees ('INR') and all values are rounded to the nearest INR", except otherwise indicated.

Use of estimates and judgements

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial

statements along with the notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

Revenue Recognition

Revenue is recognized based to the extent it is probable that the economic benefit will flow to the company and revenue can be reliably measured regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, and excludes taxes & duties collected on behalf of the Government and is reduced for estimated customer returns, rebates and other similar allowances.

Interest Income is recorded using the Effective Interest Rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the company and significant risk and reward incidental to sale of products is transferred to the buyer, usually on delivery of the goods.

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

Inventories

Inventories are valued at the lower of cost and net realizable value (NRV). At cost or Net Realizable value whichever is lower.

Cash Flow Statement

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

For the purpose of the statement of cash flows, cash and cash equivalents includes cash on hand, term deposits and other short term highly liquid investments, net of bank overdrafts as they are considered an integral part of the Company's cash management. Bank overdrafts are shown within short term borrowing in balance sheet.

Tangible fixed assets

Fixed assets are stated at cost, less depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Depreciation

Depreciation on fixed assets is provided on a written down value basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under the Schedule II to the Companies Act, 2013, whichever is higher. However, Management has not estimated the useful lives of assets and rate is used as per the Companies Act, 2013.

Borrowing

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired.

Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. In the current year, the custom duty paid on acquisition of Fixed asset has been capitalized as the duty paid is not refundable.

All other borrowing costs are recognized in Statement of Profit and Loss in the period in which they are incurred.

Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service.

Income taxes

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax Laws used to compute the amounts are those that are enacted, at the reporting date.

Deferred Taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets including the unrecognized deferred tax assets, if any, at each reporting date, are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date and are adjusted for its appropriateness.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT Credit is allowed to be carried forward. In the year in which the Company recognizes MAT Credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the sufficient period.

Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) for the year by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit/(loss) for the year as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary

operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

Cash flow statement

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transaction of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income and expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Earning and Expenditure in Foreign Currency

	For the year ended 31st March, 2023	For the year ended 31st March, 2022
Earnings	Nil	Nil
Expenditures	Nil	Nil

Disclosures required under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006

The Company has no dealing with any party registered under the Micro, Small and Medium Enterprises Development Act, 2006.

Cash and cash equivalent

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and demand deposits with an original maturity of three months or less and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

Event occurring after the date of balance sheet

Where material event occurring after the date of the balance sheet are considered up to the date of approval of accounts by the board of director

Recoverability of trade receivables

Required judgments are used in assessing the recoverability of overdue trade receivables and for determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate risk of non-payment.

The Company has reclassified/regrouped previous year figures where necessary to confirm to the current year's classification.
